GRAND VIEW HOSPITAL

Grand View Hospital shall endeavor to provide and coordinate the appropriate utilization of quality, cost-effective health care and related services for the Upper Bucks and Northeastern Montgomery County communities which we serve. While maintaining our traditional commitment to personalized, compassionate care which respects the dignity of the individual, Grand View Hospital shall strive to make quality programs and services available to and accessible by our community. Consistent with our technological, financial, and human resources, the organization shall work to address the changing health-care needs, wants, and preferences of those we serve. The mission of Grand View Hospital is accomplished through the combined energy of its staff, physicians, volunteers and trustees. It is focused through the shared applications and interpretation of our values and philosophies as they relate to those individuals whom we serve.
