

Camp Introduction

Dear Family,

Grand View Health Children's Center would like to welcome you! Summer camp begins on Monday, June 19th and ends on Friday August 25th.

We have many activities planned for a summer of fun! Every week there will be swimming, karate, gym class and a field trip out of the center.

Attached you will find information regarding summer camp. If you have any questions, please call 215-453-4258. Enrollment paperwork should be completed and returned with a check in the appropriate amount (tuition and field trip fees) by Monday, June 5th.

**We look forward to a fun summer!
Thank you,
The Children's Center**

Swimming at Souderton Pool

Since last year was so much fun, we will be going back to Souderton Pool. It is located at:
31 West Summit St. Souderton, Pa 18964.

We will be swimming every Friday. This of course will be weather permitting. If there is bad weather we will do our best to have a different field trip such as the movies.

We will leave approximately at 11:00am, and return to the center approximately at 1:30 pm.

Our first scheduled swimming day is Friday, June 30th and the last swimming day is Friday, August 18th. If you are a member, please have your child bring a wrist band. The older children will have to pass a swim test to be in the deep end of the pool.

Karate

Work on earning a belt!

Beginning Monday, June 26th, Sensi Bruce will coming back to the center and teach a karate class. This will be a 9 week course and each child will earn their belt by the end of the symmer. On August 21st there will be a karate party!

The Junior Gymnest

Each week they transport and set up a complete gym!

Beginning Thursday, June 22nd, we will be having an on-site gymnastics program come to the center. The main skills/exercises focused on are in the discipline of tumbling and progressing into vaulting and single rail work. Their goal is to instill and nurture a future of fitness by creating a fun, active and safe environment helping every child feel secure to explore their limits and praised for their efforts.

Important Camp Information

Drop off and Pick up:

- If you do not have the security code to the front door, please ring the doorbell on your first day and the code will be given to you when you come in.
- Please do not allow your camper to enter the security code, or push the button to exit at any time. We realize they are old enough to do such a task, but it against policy, and more importantly for the safety of all the children.
- The drop off and pick up time that you indicate on the attached schedule form is when we will expect your child to be in our care. If you find that your time(s) need to be changed due to work obligations, please notify the office.
- All children must be signed in and out daily.
- The center should be notified if someone other than the parent/guardian will be picking up your child(ren).

Medications:

All medications needing to be administered while your child is in our care must be brought in the original container that contains dosing information. A medication log will be completed by both parent and teacher. Children are not permitted to hold any medication, including cough drops.

Sunscreen:

All campers will wear at least SPF 15 on all exposed skin. Sunscreen must be applied before arriving to camp each day. Teachers will assist campers in reapplying sunscreen in the late morning and afternoon. We ask that one bottle of sunscreen (preferably spray on), labeled with your child's first and last name, is kept in your child's cubby.

****A sunscreen form must be on file in order for us to apply at school.**

Accidents:

In case of a minor injury or accident at camp, first aid procedures will be administered. You will receive an accident report detailing the time, date, event and treatment. If we deem that the injury requires further treatment, a parent/guardian will be notified immediately.

Daily Attire:

Clothing should be comfortable and weather appropriate. Closed toe shoes must always be worn. Flip flops and open toe sandals are NOT permitted while playing at the center (only to be worn to the pool).
