

Family Medicine at Lederach

A GRAND VIEW MEDICAL PRACTICE

About Our Practice

Family Medicine at Lederach, a Grand View Medical Practice, consists of experienced physicians and allied health professionals that will provide you with friendly and personal care. We are one of four practices conveniently located in Upper Bucks and northeastern Montgomery counties.

Choosing a physician is one of the most important decisions you will make for you and your family. Whether you are an individual or an adult managing the care of a loved one, such as a child or a parent, you can find a physician with the qualities you need. New patients are welcome at most locations. **Extended weekday and weekend hours are available at some locations to accommodate your family's busy schedule.** In the event of a non-urgent medical concern after business hours, our answering service is available to handle your call. For urgent medical concerns please visit Grand View Hospital's Department of Emergency Medicine open 24/7.

As a member of Grand View Health, our practice provides you and your family with trusted care, experience, commitment to quality and access to hundreds of medical specialists.
