Important Camp Information

Drop off and Pick up:

- If you do not have the security code to the front door, please ring the doorbell on your first day and the code will be given to you when you come in.
- Please do not allow your camper to enter the security code, or push the button to exit at any time. We realize they are old enough to do such a task, but it against policy, and more importantly for the safety of all the children.
- The drop off and pick up time that you indicate on the attached schedule form is when we will expect your child to be in our care. If you find that your time(s) need to be changed due to work obligations, please notify the office.
- If your camper is unable to attend a field trip, we will not be able to provide care at the center for your child.
- All children must be signed in and out daily.
- The center should be notified if someone other than the parent/guardian will be picking up your child(ren).

Medications:

All medications needing to be administered while your child is in our care must be brought in the original container that contains dosing information. A medication log will be completed by both parent and teacher. Children are not permitted to hold any medication, including cough drops.

Sunscreen:

All campers will wear at least SPF 15 on all exposed skin. Sunscreen must be applied before arriving to camp each day. Teachers will assist campers in reapplying sunscreen in the late morning and afternoon. We ask that one bottle of sunscreen (preferably spray on), labeled with your child's first and last name, is kept in your child's cubby.

****A sunscreen form must be on file in order for us to apply at school.**

Accidents:

In case of a minor injury or accident at camp, first aid procedures will be administered. You will receive an accident report detailing the time, date, event and treatment. If we deem that the injury requires further treatment, a parent/guardian will be notified immediately.

Daily Attire:

Clothing should be comfortable and weather appropriate. **Closed toe shoes must always be worn.** Flip flops and open toe sandals are NOT permitted while playing at the center (only to be worn at the pool).

Camp Necessities:

Your Child will need the following items:

****EVERY ITEM MUST BE LABELED****

- ☐ Backpack
- ☐ Extra set of clothing
- ☐ Water bottle (taken home daily to be sanitized)
- ☐ Sunscreen (kept in cubby)
- ☐ Morning snack (PM snack is provided by us)
- ☐ Lunch (all foods must be sent precooked and preheated)
- ☐ Books or summer work

Snacks and Lunch:

Campers must bring their own lunch each day. Cold items should be placed in the refrigerator in the classroom, so please be sure the items are labeled. Other items may be left in your child's backpack. We do not heat lunch items. For items such as hot dogs, chicken nuggets, etc. an insulated thermos will keep food warm.

Your child should have a snack for the morning. Good ideas for snack include yogurt, fruit, crackers, cheese and mini bagels.

The center will provide an afternoon snack and drinks at both snacks and lunch. We offer milk and water to drink. We also provide plates, cups and utensils.

Please keep in mind that children may be hungrier when they are active, so be sure to pack plenty of food. We will let you know if your child is still hungry or isn't eating much.

**If children will be eating lunch on a field trip we ask that everything be disposable.*

Electronics:

The use of electronic devices such as iPad's, iPod's, Kindle's, eReaders, Nintendo's and other handheld electronic devices are not permitted. We have a lot of fun, hands-on activities planned throughout the summer to engage our campers!

Each week the campers will enjoy a field trip or in-house activity. Permission slips will be distributed at least one week prior to the trip. The permission slips will provide specific details regarding the trip, such as departure and arrival times, specifics about clothing, lunch, etc.

- If the field trip/activity occurs on a day that is not regularly scheduled day for your child, you may request to add him/her for the field trip. However, this will be on a first come, first serve basis, as we may be unable to accommodate due to limited space.

The cost of the field trips, in-house activities, karate, and Jr. Gym have been incorporated into your summer tuition.
